Welcome to

The Best Whitetail Deer Hunting, food & lodging you will find!

Louisiana Whitetails is offering
a Premier Guided Hunt for
trophy whitetail bucks on a
405 acre preserve
just 45 minutes North of
Bossier City, LA.
This is a No-Kill, No-Pay operation.

Facility is sanitized between each hunt.

I would like to Thank Louisiana Whitetails for a great weekend.

Daniel and Brenda made my wife and I feel like family from Friday when we arrived at the lodge until Sunday when we left with handshakes and hugs. The lodge was great, but the back deck was the best, from the firepit and TV to the Fallow Deer cutting the grass and rutting bucks running around and swimming across the lake. The stands are top notch 6 x 8 shooting houses that was comfortable for me, my wife and guide. The number of animals we saw made the time pass fast as we were looking for the right one. When they showed up, we sealed the deal. After pictures, we were treated to drinks and appetizers while the game was cleaned and caped inside a temperature-controlled cleaning station and walk in cooler.

We had the time of our life and we will definitely go back again. The atmosphere and hospitality were remarkable, and the deer were by far the most beautiful we have ever seen.

We highly recommend your next hunting getaway be at Louisiana Whitetails.

David and Melanie

The hunt is conducted on private property west of Springhill, LA adjacent to Bodcau Wildlife Management area at 599 Timothy Church Road, Springhill, LA. The operation is equipped with a 4 BR 4 1/2 BA Lodge with all amenities, including central heat/air, washer/dryer and DirecTV, a large outdoor covered porch with burn pit, allowing hunters to spend their time on the property comfortably. The property offers a modern walk-in meat cooler and limited meat processing facility. Our staff will be pleased to assist in field dressing, skinning and butchering of your trophy at no additional charge.

The Hunt

Hunters will be placed in the nicest, most comfortable stands in the industry with chairs overlooking well-used game trails or food plots. Hunters may pass on or select any animal they desire. Any wounded animal will be considered to be "dead" and the hunter will be assessed an appropriate trophy fee, however, every effort will be made to recover any/all wounded animals. Stands are designed primarily for long gun hunters however archery hunts are available upon request.

To the crew at Louisiana Whitetails, I can't begin to thank everyone enough for our hunt. It was way beyond my expectations. I'm still in a state of shock about the size of the 2 bucks that my son and I harvested.

Truly once in a lifetime bucks. The hospitality was more of a family kind of an atmosphere than a guided hunt. The facilities are top notch. And when you guys head out for a hunt, YOU GET RESULTS. Thank you, Daniel and Brenda. I felt like I was leaving family when I left. I plan on making it an annual event for my son and I to come hunt with you.

Thank you,
James Stallings

We had an amazing trip! Our time at Louisiana Whitetails exceeded all our expectations and was better than we could ever have imagined. Daniel and Brenda are some of the nicest people you'll ever meet. They made it hard for us to leave because we enjoyed our time with them so much. They make you feel like family and right at home in their beautiful lodge. We had the best guide, delicious food, great conversation, and comfy beds. What more could you ask for. We can't rave enough about the sweet hospitality that was shown to us. One of my favorite things was to sit by the big fire pit. They kept it going all day and all night and we enjoyed relaxing by the fire taking in all of God's creation. We had the best experience and we can't wait to come back for another hunt.

"We Got Ours at Louisiana Whitetails!"
Our hunt was truly an awesome experience that will never be forgotten. Thanks to the whole team for making each of us comfortable and feel at home. From the time we met Mr. Daniel at the front gate to waving bye to Jason as we left, we were treated like family. Mr. Dan is the man when it comes to guiding you to the deer of your dreams; he discussed options with us and made great suggestions which really paid off. His one goal is for your experience to be the best it can be and that you get what you came for. They will hang in there with you to the last possible minute of your hunt to get you that buck of a lifetime... which all three of us did.

I enjoyed sitting on the back porch with Mr. Daniel, just talking and looking at the wildlife while waiting to hear the sound of the last shot fired to close out our hunt. From the accommodations and the food, to the knowledge and patience of the guides, everything about Louisiana Whitetails exceeded all of our expectations. This is a world class operation and staff.

Thank for the memories,

DIAMOND HUNT

There's No way I can adequately describe just how wonderful my deer hunting experience was at Louisiana Whitetails. First, I hunt from a tracked wheelchair, so the first thing I do when planning is ask about wheelchair accommodations. Mr. Daniel started asking really good questions immediately, before giving me an answer... This made it a no brainer to choose Louisiana Whitetails. When we arrived the place is beautiful. He had set up 2 blinds especially for me, that worked perfectly for hunting out of a wheelchair. Jason, our guide, Kim, Brenda, and Mr. Daniel made this a trip of a lifetime. Sitting on that magnificent porch you truly understand why Louisiana is called Sportsman's Paradise. The food was outstanding. Jason did everything humanly possible to make sure that we were comfortable and got the deer that we came to harvest. Thank Y'all So Much!!

Just wanted to let y'all know how much I enjoyed my time at your wonderful hunting lodge. It was such a great experience; Wesley and I really enjoyed ourselves very, very much. Mrs. Brenda and Kim-bo took such good care of us, we wanted for nothing the entire time we were there. Everyone was so courteous, and the lodge was so welcoming at the end of a long day. Amazing hunting, excellent food, and wonderful company. This was an experience me and my grandson will never forget.

Highly recommend this place and give it a solid 10/10!! I hunted with them for the 1st time last weekend and had a great time! The food was delicious, and getting to visit with both Daniel & Brenda all weekend was great. The lodge & rooms are very nice. The deer stands are nice and warm. I harvested an amazing buck of a lifetime, scoring 267.75! I will definately be coming back to visit with these heart warming people and to do some more hunting in the future!

Our Group planned a trip to Louisiana Whitetails not knowing what to expect. Talking to Mr. Daniel on the phone, we got a sense of what our trip would be like. We weren't suprised when we discovered how awesome this place and the people there are. Mrs. Brenda, Mr. Daniel, Mrs. Kim and our guide Jason treated us like family. Fantastic food, fellowship and a feeling of home... oh and the hunting was fantastic as expected...we harvested a 139", 181", & 289" Bucks! Also, we booked a return trip before we left! LOL! Looking forward to more hunts & fellowship with the fine people at Louisiana Whitetails.
